

Construction Essential Skills Pre-Employment Program

Douglas College offers **TUITION FREE TRAINING** to individuals needing to upgrade their skills in order to get employed, an initiative of the Ministry of Jobs, Tourism and Innovation.

Are you.....

- Unemployed/not on EI (have not had an EI Claim within the past 3 years or a maternity/paternal claim in the last 5 years)
- Seeking to strengthen job-specific-skills to find employment within construction, the third largest employer in BC (BC Stats)
- Seeking work options in trades and potential apprenticeship opportunities

Program Outline: Four (4) weeks - exploring the work opportunities and training to work in the construction field. **Week 1** – Industry specific Essential Skills, **Week 2:** Comprehensive introduction to Construction industry, **Week 3:** Construction Safety Training System (15 modules); **Week 4** – Training and Employer panel. Job search support provided during and after the training.

Earn (6) Industry Recognized certificates :

1. Construction Safety Training System
2. Scissor and Aerial Lift Training
3. Occupational Level 1 First Aid
4. Traffic Control Person of BC (Flagging)
5. WHMIS
6. Douglas College Certificate of Completion

Training Located:

A1080 – 1250 Pinetree Way, Coquitlam (David Lam)
Monday – Friday – 9am to 3pm

PROGRAM TRAINING:
